“ *Another DEAR old Amoco friend being called Home by his Father. God bless him and his family.....as we never want too give up a loved one! But we will see each other in God's timing. A memorial will be sent in his honor too Okla. Medical Research Foundation and if we can determine your address, you will get an acknowledgment, but PLEASE do not wast a stamp thinking. We still have a big drill bit sitting in front of our fire place that he gave me when Amoco stopped that research. Will always remember his phone call asking if I would like too have their largest. God bless & rest.....you will once again be together! The Bible says so.....*
