“ *Cindy was one of my sister Denise Richisons best friends! She would come over and spend the night with Denise at our house many times! And would see Cindy at my mom's house when she would spend the night with Denise and at many get togethers at their house! She is my Facebook friend and I'm so surprised when I saw this on Facebook! I am so sorry for your loss! Cindy was very special to my family! She will be missed as my Facebook friend!!!*

“ *My sincerest sympathy to Cindy's family and friends. Having been next door neighbors and good friends for ten years, I've come to know many of you through Cindy. Such a kind-hearted soul. I'll miss our recipe swaps at the back fence, our walks in McClure Park, and her stories and updates about the family. She was such a dear friend. Feeling at a loss without her.*
