“ I have fond memories of meeting Uncle Floyd and Uncle Luey at my grandmas, after dropping the kids off at school. We would have coffee and talk about "The Atkin's Diet".

Then a different season of life, my family would meet other family members at the Port City Raceway to watch his oldest son (my cousin) Ray race! Then, I loved taking my parents Kenneth & Norma Carr to meet my Uncles and Aunts in Bixby at Taco Bueno. We would try to meet them once a week. Enjoyable memories! He will be missed! Goodbye, Uncle Luey! Until we meet again Love,
Karen
