“ Dear Lois, Martha, Kay and families,  
We were so sorry to hear about Aunt Margret's passing. I remember after my mother's passing that she said she had been to heaven's gate many times and how indescribably beautiful it was. This time she was able to pass through the gate and enjoy its wonders. We have many fond memories of our dear aunt. You are in our prayers.

Love,  
La Veta and Richard

*A little late but never too late to honor the memory of one of my sweetest aunts married to my mother's brother, Enos. Margaret became a member of the Combs' family early on and was always such a mainstay. She was wise, quick to think, slow to speak and between the ladies of the Combs family, there was never a harsh word spoken amongst them. She loved to garden and we often talked about our tomato plants as I continue my Dad's love of gardening also. Aunt Margaret left a wonderful legacy; a God-fearing family, a close-knit family all through. Their three daughters, my first-cousins, were early playmates and we shared many good times and reunions. She will be missed but we know where she is....Love and hugs to my three cousins and their respective families that I didn't get to see.....So sorry I was not able to be with you....*
