*Dear Marty, Marlyn and Tricia,
Please accept my heartfelt condolences for my dear friend, Margee and your dear sis. She has been on my mind for the past several months. I recently found in my desk, a slip of paper with the last address I had for her in Tulsa. I'm so upset I didn't act on getting in touch with her sooner. I have many fond memories of our Pittsburgh State Collage days, our shenanigans to the Cape Cod and other times... Lake of the Ozarks at my parents houseboat. I'm very sorry for your loss as well as mine. She was one of a kind and a real gem is a pal. Love, xo Sari Sackrider*
