I will always remember Marilyn. As neighbors we had a couple things in common, one of which is we shared our love for our dogs, her "Lil" Tiny and my Lil Rachel. Her family and friends have lost a good lady and that loss will be felt by many. She always had a smile and time for neighborly chats. She will be missed.

With heartfelt sympathy, Becky

“ *Some of my most treasured memories as a child involve the Montgomery family. Marilyn was not only our next door neighbor, but a friend. A mother figure to me, extended family to my parents. A best friend to my mother.*

We will miss your smile, your wit, your presence. We love you all very much
