“ Thank you for always being so good to me. You were my mother-in-law but also my friend. You were more of a mother to me than my own ever thought about being. You've left me with many memories that bring a smile to my face even as tears roll down. I will always miss you. The world is definitely not the same without you. You were an amazing mother and grandmother. You faced many challenges with courage beyond compare and you never gave up. You were a wonderful example and inspiration. I have always loved you. My prayers are with your family. I will help them any way I can. I'm very happy I was able to finally give you the girl you always wanted. From her you and Bill got Scott, Landon and Cannon. Rest in Peace. ❤️
