July 31, 1937 - July 10, 2018

Services honoring the life of Marjorie Lucille Coppinger will be 1:00 p.m., Monday, July 16, 2018 at Hayhurst Funeral Home Chapel. Burial will follow at Park Grove Cemetery. Friends may visit the funeral home on Sunday from 12:00 p.m. to 8:00 p.m.

Marjorie was born on Saturday, July 31, 1937 to Clayton and Dora Mae (Steeley) Harwood. She passed away in Broken Arrow on Tuesday, July 10, 2018 at the age of 80.

Marjorie proudly graduated from Broken Arrow High School with the class of 1956. First and foremost, Marjorie was a wonderful, loving and devoted mother, grandmother and great-grandmother. Nana, to her grandchildren, she adored her family and the thing she loved most was spending time with them. Marjorie was also known for her great sense of style and she worked in high-end women's clothing for many years where she loved working with her customers – many becoming friends. Marjorie loved the Lord and attended church her entire life and she spent a lot of her leisure time helping others in need. Never afraid of hard work, almost no project was too big for her to take on and she took pride in her yard and gardening. She was always ready with a beautiful smile and a warm embrace to soothe your worries or celebrate your joys and to do her best to build up those whose lives she touched to be happy and whole. She is missed beyond measure.

Memorials may be made to the Alzheimer's Association, 2448 E. 81st St., Tulsa, OK 74137 or the The Assembly, Missions, 118 E. Commercial, Broken Arrow, OK 74012.

“ *Our Mother was beautiful on earth, as I'm sure she is in Heaven. She is and has been missed during her horrible disease. So many fond memories of her with us as kids, and with her and her grandchildren....She was our backbone, we always knew she was there for us. I love you Mother....*

*Margie was always a beautiful Lady. Inside and out. A great example of a Christian Lady. She loved her church. As a young girl she was loved and served her church. Even through her disease she was beautiful. We will miss her a lot, but she is happy, walking and I am sure rejoicing.*

*My Mother was the center of our family. The heartbeat. Headquarters. Wherever SHE was, that was home. We moved many times as a family due to our Dad's career and she knew just how to make every home a warm, lovely, and stable place for us. Her love was absolutely unwavering. Always in your corner, she wanted us to have anything and everything that was our heart's desire. She was self-less. She showed me and taught me love, kindness, and integrity. Both our parents showed us the benefit of ambition and working hard to build a good life. Because her disease tore her away from us, we've already been missing her for years. I miss her presence in our lives and can't help but feel her disease cheated us out of many happy times. I've loved her since I met her and always will. I hope you're enjoying one big glorious reunion Mother! LOVE, LOVE, LOVE!*

*To the entire Coppinger family:*

*I read of Marjorie's passing in the paper. Although I have not seen Marjorie in quite a while, she and Jim bring back many memories of the past. As you may know, Jim and I worked together at SW Bell for many years. He was a good man and a good employee. Pat and I used to see Marjorie at the clothing store and always had a good talk. I know you miss her but be comforted by the knowledge that the next time you see her, she will be the bubbling joy she was before the disease. Pat and my thoughts are with you. J Stan Powers*

*Thank you so much for saying so Mr. Powers. I don't know if you are aware or not, but our Dad Jim, passed in November as well. This has been a sad 9 months for our family, and a long several years for our Mom battling her dementia. We so appreciate your kind words about both of them.----Teresa Coppinger Norman*

*Thanks to everyone for the kind words about our Mother. She is in a better place now but will forever be missed! Mr. Powers.....I think I may have gotten my name after you, I always knew my dad named me after someone at work but to the best of my knowledge I haven't ever met the person.....IF that was you it is wonderful to finally know the man behind the name.*
