“ One thing Mark did that I will not forget is made it a point to be the "best, boyfriend/fiance he could be" and he's d ask frequently "I am the best she's had, Right?" " Im The BEST! I'd smile, tell him he was indeed by far the best and he'd be satisfied. I respected Mark for the genuine love he gave to my baby, And rested well knowing he was looking after her best interests always! And I know he still is looking out for her, and that's good because he was best at it! Love and miss you JR.

“ Every time Mark would bring up the demolition derby we ran at Ottawa County Fair in 2018 he always gave me a hard time and told me he gave me a “love tap” but he and another car full throttle pinched the sides of my car and shoved both sides of my car in a good 6 inches. To many good memories to type out wed end up with a book. The last few derby seasons havent been the same with him not around but now its going to be harder to get through the season now that hes not with us.

“ Favorite memory was when we were racing against each other and I hit him in the fender and he always brought it up that I hit him in the door. And he was also the best at dancing to shania Twain

“ Man I'm going to miss you, we always had fun with our shenanigans, but we always stayed out of trouble. I will never forget the smile on your face when you caught your first legal size Michigan bass. You were so stoked, I was genuinely happy and proud of you bud! Till Valhalla! Even after death I'll still be your medic, and old crayon eating roommate.

“ Mark, I first met You through Trey Martinez and we hit it off right away! You found out I loved Country Music and we talked about different Artists. A couple in particular Dolly Parton and Shania Twain. I told You about my Lincoln and You along with Trey and some others said I should Derby it, which I would never do!😭 I saw You a few more times after that and it was like we'd known each other all our lives!! I'll never forget You My Brother!! I'm playing Vince Gill "Go Rest High On That Mountain" in Your Honor! I'll see You when I get there....

“ Mark, my brother I have no words. If I only knew the last time I saw you would be the last. I am going to miss you calling me a dumb Marine and a crayon eater. I know it was all in love and today I can sit here and look back and smile. I will cherish those memories my friend. I thank God I met you and that we share the same name. Drill wont be the same...
