“ Sue and Mike always made Toni and I feel welcome and at ease. It was always the highlight of our week to spend time together and listen to Sue's life experiences. I can only imagine the fun or trepidation of encountering Sue at work depending on if you were a driver or coworker. If I'm lucky enough to wind up in the same place as Sue, I hope she doesn't put me to work. We love you Sue and thanks for the memories.

Martha Sue and I began our friendship almost 50 years ago when we raised our first sons together in Camden. Oh, what a joy she was to have as a friend. We spent many hours of many days together---most good, but some not so good, but we were there for each other---usually laughing through it all!! MarSur was my dear friend, and shall always remain in my heart. My love and condolences to Michael and the family. Michael, you were adored by her, and I want to thank you for taking such good care of her.

I wish I could be with you all at this time, but health reasons keep me from being there. Thanks for being her Michael!
