“ I’ve known Liz since I was a child. She took care of my mother’s hair for many years. She also took care of my hair a couple of years while I was in school. She was such a beautiful Christian woman and someone I wanted to be like. I never heard her say a negative word and she always looked for the good in people. I remember going to conventions and I always looked for her to see how beautiful and put together she was. She was an amazing woman and will be missed.

Bro Jerry and Liz pastored my church, Worstell, when Amber was 5 years old, I believe. Liz was a beautiful lady inside and out. Her sweet smile was always a joy. I will always treasure a painting she did for me. It hangs right by my bed. My little daughter and Amber were good friends and spent many hours together at both homes. They were wonderful Pastors! Bro Jerry and Amber we are praying for your family. I love you!

“ Liz will always hold a very special place in my heart. Her and Jerry pastored my church in Porter when I was a teenager where she bestowed to me the nickname of Joyful. She showed me what it's like to be a strong woman of God. She showed me love and support as well as my entire family. We all adored her. I will miss her dearly. Until we meet again Liz, I'll forever be your Joyful. ❤️

PS

To my dear friend Liz, words are inadequate to express my grief from losing you. You have been part of my life for well over fifty years. How blessed I've been to have the treasure of your friendship. Your bright smile, your laugh, your sense of humor, your genuine caring and love for me can never be replaced by another. I will have no one to answer my calls with the song "Hey, hey Paula". I will cherish all the fun memories we made together. I will miss you, but I will see you again one day. Your hope has been realized, and I'm looking forward to mine being realized too. I love you Liz, all the way to heaven and back.
