“ I can't remember a time when Mary wasn't in my life. Our parents and grandparents were friends and we grew up on neighboring farms. She told me she thought of me and my siblings and cousins as her little sisters and brothers. We reconnected after our kids were grown and we retired from working. We spoke frequently on the phone and kept up with each other on FB. I will miss my "big sister" and lifelong friend.

Mary was quite the character and fun to work with. She was a giving person with a big heart. My thoughts and prayers are with the family during their time of sorrow.
