“ *My condolences to the family. Had a lot of good memories with Mom 2. Robert and I met at school and formed an amazing friendship. He became my little brother. Mom Gates became mom number two to me. She used to call me number three. For my birthday she used to make me a pie...it was the best pie ever! Have a lot of good memories... it was my second home. I remember the times she used to shake her fist at Robert and I... I don't always remember what we did but I do remember that she would Shake her fist at us. And being called kiddo... she had a wonderful smile and laughter. I love you Mom. Thanks for all the good memories.*

“ *Grandma, thank you for all of the lessons you taught me. Thank you for caring for me growing up and instilling in me the manners and respect I practice to this day. Thank you for all of the wisdom you shared with me through the stories you told me over all of those years. Thank you for teaching me how to navigate using a map and reading the road signs on all of those road trips we took while I was growing up. You're forever a part of me and I'll pass on your lessons to your great grandkids. I love you.*
