

Megan Gilligan

August 30, 1983 - May 25, 2025

Megan Renee Gilligan was born in Akron, Ohio to parents, William Edwin and Renee Louise (Carlson) Gilligan, on Tuesday, August 30, 1983. She passed peacefully in the comfort of her home on Sunday, May 25, 2025, at the young age of 41.

Just before her 16th birthday, the family moved to Broken Arrow, OK. Megan always had a way with words and was an accomplished storyteller. In school, she wrote for the BAHS newspaper and as a senior, went on to become the editor. Megan also wrote articles that were published in the Tulsa World - Teen Scene. One of her articles received a Kady Award from the Dallas Press Club, which was the first awarded to the Tulsa World Newspaper.

She worked for many years in the auto body industry where she fine-tuned her management skills and further developed her professional and personal relationships. She would go on to study and help others by passionately learning as much as she could to further her therapy and mental health assistance skills.

She was kind, loving and would never pass up an opportunity to pet a living creature. She didn't seem to care if that creature wanted to bite her. She had a way of drawing people into her light and there was always a happiness in her presence. Her dad liked to describe her as a Renaissance Kid who did everything BIG!

Left to cherish her precious memories,

Father: William "Bill" Gilligan of Broken Arrow, OK.

Family: Rita Jones and Grant of Springfield, MO.

Randy Carlson and Renee of Bokeelia, FL.

Special Friends: Sam and Mary Barker, Randy and Michelle Rubenstein, Greg and Heather Springer

A very special Thank You to Adrienne Jobe, Tamara Hopper, Brooke McIntosh, and Cachet Caraway for all that you did to help through this difficult time.

Megan was preceded in death, to be welcomed in Heaven, by her mother, Renee Gilligan.
