“ *I just found out that Mike had passed away. I worked with him in the Engineering Dept at Loveland Power. He was always funny and upbeat. Brings back many fun times with him and funny stories. Mark A. Miner. Longmont Colorado.*

“ *We love and miss you Dad! What I wouldn't give to play another game of Skipbo with you. Even though we will miss you dearly, I'm so glad your days of suffering and struggle are over. You're home with Jesus now and I hope you're smiling down on us as we celebrate your life today.*

“ Dad,

I would give anything to be able to play one more game of Skipbo with you. We will miss you more than could possibly know. I love you so much and will see you again at the right hand of God!

Love is patient and kind. Love is not jealous, it does not brag, and it is not proud.

Love is not rude, is not selfish, and does not remember wrongs done against it. Love is not happy with evil, but is happy with the truth. Love patiently accepts all things. It always trusts, always hopes, and always continues strong.

Love never ends...

Now we see as if we are looking into a dark mirror. But at the time, in the future, we shall see clearly, Now I know only a part. But at that time I will know fully, as God has known me.

So these three things continue forever: faith, hope, and love.

And the greatest of these is love.
