“ *My wife and I have known Michelle all of our lives here in BA. One time Michelle, myself, our family members and many others were attending a picnic at the old Boy Scout Camp called Camp Russell. I was about 9 or 10 years old and Michelle and I were playing around the swimming pool down by the deep end. We had been warned to not get close to the water but I didn't mind very well. Anyway, I fell in and was going down when Michelle reached into the water, grabbed me by my hair and pulled me up for air. She then pulled me onto the bank before any adults showed up probably saving my life. Our Condolences to the Family!
