Words, thoughts and unanswered prayers may not fill the void that we as a family feel right now. Our prayers for the peaceful repose of Mike's soul. May his daughters find comfort in knowing that their dad did his best

Some people say there is a reason while others say, time will heal. But neither time nor reason will change the way we feel about our dear brother's demise. No one knows the pain behind our smiles neither do they know the number of times we have broken down and cried. No one apart from God holds enough power to ease our heart's pain. We pray for God's blessings to overcome this crucial situation.
