*“ I met Mike about 1996,. He and his wife Patricia spent many hours with me and others I worked with enjoying his wit and compassion. You always knew how much he adored his wife and his love of the outdoors. Totally amazed that he sold his home and motored to the lake for that "outdoor experience". It has been years since I have seen him but have thought of him many, many times. Jimmy Michael "Mike" McNally will be missed by many!*
