“ *Dear family, your loved one was a very sweet little lady. I knew her from Arkansas Valley Bank where I am a teller. I don't know how she became my "Avon" customer but for many years she would call me and order "Rich Moisture Cream" for her face. I was thinking about her not many days ago and how I had not heard from her in a long time. I know she is in a better place and will be looking forward to being reunited with you her family. God richest blessings on all of you.*

“ We were privileged to be Mildred's "across the street" neighbor. I pray that the Comforter will be ever present with the family at this time. Her life was exemplary of her deep Christian faith. May the love of Jesus enfold you who have the blessed hope that someday we will be reunited with those who have gone before us.
