“ *Amanda - Was sad to hear of Molly's passing. Molly was always with my mom, so we knew if mom was coming to count Molly in. She ended up becoming part of our family. Every time I was around Molly she always had me laughing. Molly was a wonderful person, always willing to help out. She was also a great friend to my mom, don't find friends like that. She will be missed!*

Very true my mom was always with your mom and it's very rare to find a friendship like that now days my mom always could make someone laugh even if she was having a bad day herself. I miss her dearly
