“ We are so sorry that we somehow missed the notice of Nadine's passing into heaven. We knew her from church, but have been attending another for the last couple of years. Nadine always had a smile and warm handshake or hug. We got to know her even better when we were on a couple of trips to Branson with the "older generation." Nadine, Lorene and Pauline were always together when we saw them, for so many years. They loved the Lord and people loved them. Elmer always had some good laughs with them, recalling some favorite Branson memories.

*The photos are precious. My what a host of family she was blessed with. They reflect her great love of her family. Nadine was a kind, loving lady that exuded grace and her strong Christian faith.*

*Our thoughts and prayers are with the family as they go forward, and adjust to the hole left in their hearts, until you meet her again.*

“ I first met Nadine at Taylor's bridal shower in 2011. She has had a special place in my heart ever since. It was evident how much she loved Taylor and her family, but most importantly, I could tell her first love was the Lord. During the shower and other visits, she always exuded His love by the smile on her face, twinkle in her eyes, and in the words she spoke. She was a beautiful woman, inside and out. I am so blessed to have met her and virtually attend her funeral. It was the most beautiful expression of one's love for the Lord, family and friendships I have ever seen.

“Nadine was an amazing woman. Doyce and Nadine were always part of the Watson family. They were there as an encouraging and loving example when I was growing up, and they were there for my children as well. Nadine had such a powerful presence. She always knew exactly what to say regardless of the situation. There was never any doubt about her faith. Doyce and Nadine were mentors. They taught us how to live and enjoy life through their faith in God. The faithfulness of God, defined by their lives, is captured by the words of an old hymn, “Pardon for sin and a peace that endureth, Thine own dear presence to cheer and to guide; Strength for today and bright hope for tomorrow, Blessings all mine, with ten thousand beside.” I’m grateful and blessed to have been raised around Doyce and Nadine, and it is wonderful to know they are together again!
