“ I'm sharing a memory of her today.
It was always a pleasure taking care of her nails and seeing her at the salon. She was kind and pleasant every time we met.

My deepest condolences to her family and loved ones. She will be truly missed.

Rest in peace. □

“ I met Natalie over 30 years ago when she was my hairstylist, but she quickly became so much more—a true friend. We spent many visits talking about our kids and sharing pieces of our everyday lives, and those conversations meant so much to me. I was sad when she changed careers, but I knew she was following what she truly wanted, and I admired her for that.

My heart is so heavy hearing of her passing. I am so deeply sorry for your loss. Please know you and your family are in my thoughts and prayers during this incredibly difficult time.
