Lorene was a good inspiration to me as a child. I always knew she was a good Christian lady. She made the best Sunday after church meals when I would visit Denise and her family. May peace be with your family

“ *I was blessed to be able to spend the last days with my mother. I was with her when she took her last breath. She went peaceful and I am thankful for that. She was a loving wonderful person. She would do anything for anybody. She will be sorely missed.*

I've known Lorene for 60 years. She was a great wife to Cal and a good mother to her children. Lorene was a wonderful cook specially mexican food. She was also my mother's best friend. They had a lot of good times together. So maybe my mother Shirley and Lorene are catching up on everything now since they both have moved on to heaven

We'll meet with them someday soon. Rest in peace Lorene
