“ *We truly loved our Aunt Nellie. She was always kind and involved in our lives. I guess one of the things we will remember the most about her was how funny she was. She had a very contagious laugh and when she laughed, we all laughed. When she entered a room, you always knew she was there. She was witty and bright; she took pride in her appearance and could definitely turn a head, a pretty lady for sure.....inside and out. We will miss her greatly but know we will join her someday in Heaven and we will continue our laughing and will rejoice in being together again.*

*Love you forever, Aunt Nellie.*
