

## Nette Hudson

August 12, 1922 - March 4, 2017

Services honoring the life of Nette Hudson have been scheduled for 10:00 a.m., Wednesday, March 8, 2017 at Tulsa Christian Fellowship. Interment will take place at Rose Hill Cemetery in Tulsa, Oklahoma under the direction of Hayhurst Funeral Home.

Nette Lucy Hudson was born in Broken Arrow, Oklahoma on Saturday, August 12, 1922, to Washington "Wash" and Rosa Mae Sheram.

Nette lived in Tulsa and Broken Arrow for all of her life and graduated from Broken Arrow High School in 1940. She contracted Polio when she was 8 and broke her back when she was 12, both leading to a variety of physical challenges that marked her life. Even through those hardships, Nette exhibited a mental and spiritual toughness that also defined her life. She did not allow these and other physical infirmities to keep her from the things she wanted and needed to do to serve her family and serve the Lord.

Nette married Willard Hudson on July 25, 1942 just days before Willard was sent overseas to the South Pacific to fight in World War II. They were separated for about 3 years before Willard returned home.

Nette was faithful to care for her daughter Shari Greyson after Shari was diagnosed with MS. Willard and Nette together raised their grandsons Ashley and Addam when Shari became physically incapable.

Nette was a wonderful homemaker and loved spending time with her family. She also did receptionist and clerical work in a local clinic for many years. Her life was marked by her volunteer service to the churches she was a part of,

and most significantly, she was a faithful member of Tulsa Christian Fellowship until her death. Nette and her late husband, Willard, were part of the group that founded Tulsa Christian Fellowship in November of 1969, and led house churches during their years together. Nette lived the last seven years of her life at Broken Arrow Nursing Home, where she befriended many of both staff and fellow residents.

Nette passed into the presence of the Lord on Saturday, March 4, 2017 at the age of 94. She is survived by, her grandsons, Ashley Sean Greyson and wife Mindy, of Franklin, TN, Spencer Addam Matthew Greyson and wife Jenny of Tulsa, and ten great grandchildren. Her husband Willard preceded her in death in 1995. Nette was also preceded in death by her parents, her daughter Shari Greyson, sister Martha Wilson and brothers Bill & Oscar Sheram.

Memorials may be made to Tulsa Christian Fellowship - Missions, 2121 E. 3rd St., Tulsa, OK 74104.

“ *To the Family of Nette Hudson:*

*My name is Deacon Dick Berberet. For the last two years or more I have visited Nette at the Broken Arrow Nursing Home. Each week on Tuesday afternoon, I led a prayer service at the nursing home and Nette attended as often as she was able. I found her to be a very loving and generous person, and over the time that I knew her, Nette and I came to be good friends. I will certainly miss seeing her when I visit the nursing home, and I know that her many friends there miss her greatly. I last saw Nette in the hospital the day before she passed away. Even through she had grown quite weak and fragile, she still gave a warm smile and squeezed my hand. My prayers and condolences go out to all of Nette's family and friends.*

*Blessings! Deacon Dick*

“ When my father died May 19, 1975 I was 8 and 1/2 months pregnant with my first child. My condition caused many (including my doctor) to be concerned that the shock of his death would bring on premature labor. I was able to come home for the service and to be with family in this time of sorrow. Of course many friends and family came to the house to express their condolences. Among these were Nette Hudson. Although our families now worshiped at different churches the bonds of Christian family remained strong. Arriving at the house Nette took one look at me and came straight over. She placed her hands over my abdomen and immediately began praying for me and my unborn child. I was a little unsure at first but as she prayed I relaxed and felt peace and comfort flow over me and my child. I will always be grateful for that simple yet profound action, it meant so much to me at a difficult time. My baby girl was born 2 weeks later and we both were strong and healthy. Thanks Nette for your prayers. See you later!

“ I grew up going to Tulsa Brookside Baptist Church where Nette was a member too. She was always so loving and kind. In later years I spoke with her when she would call to inquire about my Mother, Neva Baker, who had remained a friend of hers from Brookside days. Thoughts and prayers to her family.

“ Nette is "the one" who wanted to start a Bible study. We talked about it off and on and finally decided to give it a try. We began meeting in January of 2015 and it has been something we all look forward to each Tuesday. This is what I shared with the ladies today in regard to precious Nette.  
And so it was . . . that she  
having waited long and endured patiently  
realized and obtained  
what God had promised. Hebrews 6:15 I am blessed to have known her,

“ The last time we visited, about 2 weeks ago, we took aunt Nette to the cafeteria to see some dancers. It was an older women's group and she loved it. She even tapped her foot to the music. What a joy she was, the most positive person I have ever known. We loved her and will miss her.

“ Our loss is Heaven's gain. I know there was a big celebration and reunion when Nette entered Heaven's gate. She was a dear sweet lady! She was a family friend that we met at Brookside Baptist Church when I was a little girl. My mom and brother, Ken Ruffin, visited her often. When my died, Ken faithfully continued visiting her most Sunday afternoons. I will always remember her positive attitude, her amazing memory, her wit and love of the lord. You will be missed Nette! Sending prayers and comfort to her family and loved ones.

“ *Nette was a beautiful person inside and out! I will truly miss our talks every few weeks. We just spoke about 2 weeks ago, so I was so surprised to hear of her death. My dad used to visit her every Sunday at the nursing home. I took him when he was sick and before he died last year. This was on one of our visits last February 2016. She loved that I crocheted so I made her a pair of slippers as well as a few things for Christmas a few months ago. She will not be forgotten!*
