

Norma Riley

December 6, 1951 - May 29, 2025

Norma Jean was born in Smyrna, Tennessee on Thursday, December 6, 1951 to parents Gene and Virginia (Dare) Hanks. She was 73 years old when she met her Lord and Savior on Thursday, May 29, 2025 surrounded by loving care in her home in Pryor, Oklahoma.

Norma was a high school graduate of Frenship High school. She married and her family soon grew. Her vibrant personality brought a smile to those she met. She was very outgoing and enjoyed attending social events. Norma was Co-Owner of Movin On Pilot Car Service. She loved Jesus and it showed in the way she lived. She was a member of The Assembly of Broken Arrow. Norma and Charles loved to travel all around the country, visiting all the popular places wherever they happened to be. During these road trips, Norma would be heard singing along with the radio. Hard to sum up a wonderful life lived in a couple of paragraphs; Norma will be sorely missed.

“ Losing a loved one is never easy. Aunt Norma and I grew up together being nine years apart. She and I had so many amazing memories and yes we did some stupid stuff along the way. Norma taught me so many things and how to handle most situations. And also taught me how to succeed in life. When Norma and her sisters got together it was nothing but a lot of fun and laughter from those four girls. As I have aged it became very clear that their laughter was sweet music to my ears. They had a bond of love for each other like no other. Even though my heart is broken I do find comfort knowing she is dancing and singing before the Lord. I pray over Norma, Charlie, Chris, and grandkids for Gods comfort. I love y'all so much.

“ Norma was a one of kind. Anyone that had the lucky enough to get to know her could tell you that. Her & Charly both where also so good me. They treated me like family but I image I treated everyone I like tha. They were and always have been a blessing. Although my heart will be a little sadder without Norma and my thoughts and prayers are with her family and Charlie, she will be greatly missed

“ When I was young, Aunt Norma and the family would often get together to play cards and jam sessions in the living room. I still can hear her sweet voice singing Me and Bobby Magee. Her sweet smile and spirit had a way of making me feel loved and adored. I adored her back. Got displaced from her for many years but ran into her again at CFS in the ORU towers. After all those years, that same sweet smile and spirit made me feel all that same love. I will cherish those memories of her for the rest of my days. And pray that she knows that she is and always will be loved and adored. Until we meet again Aunt Norma. Beth Crotts Goebel
