“ *I will miss my sweet neighbor so very much !!! I have many fond memories of neighborhood fun over the years. Picnics, Christmas Parties, & crazy neighbor friend adventures !!! Plus you were my eyes across the street when I needed to be alerted of activities between us 😊. Love you Pat !!! My deepest sympathy to your family during this Christmas Season.*

“ *Pat was once an employee of Jaarman Elementary and worked with our special needs children. I served as her supervisor and always knew Pat to be a loving, dependable and caring person. I loved Pat's sense of humor and her willingness to "pitch in" wherever she was needed. Pat loved the people she worked with and the students she served. She often spoke of her loving daughters and grandchildren and was full of pride when speaking about them. I know that Pat is in a better place but I also know she will be missed by her family and friends. Rest in peace, Pat. You are loved!*
