“ So many memories of a lifetime I could share about my special sister and me. We sometimes talked for hours, and sometimes just sat and enjoyed one another's company. The security and comfort this big sister gave me all my life can never be replaced. We grew up together, we raised our families together, and we grew old together. The grief of this loss to me is ineffable. But I will keep our memories close to my heart, and I will look forward to seeing her once again someday. My love to Mike, Tracey and the kids. She loved you so much.

“ Ms Pat you were always so sweet to me since I met you when your family moved to Broken Arrow. I so enjoyed all of our visits, chats and humor. I will miss being able to come see you. I am so glad you finally are joining Al and Steve and celebrating your Journey. Rest In Eternal Peace with your new Healing.
Mike, my heart breaks for you and your family. You have been such a wonderful caring son and you took such great care of your Mom. She was always so proud of you and loved you so much. You brought her such happiness. She was so happy when you married Tracey and gave her some Grands to love. She would talk about you guys for hours. I am honored that she treated me like family and that you all let me be part of that. I am grateful to have had so many memories of us growing up, together, since meeting at IGA, and that you are my life friend. Prayers of Comfort and Peace for you, Tracey and the kids. Love you my friend.

“ One of my favorite memories of Pat, was one time our group decided to go to Jenks for lunch and antique shopping. Pat was driving and asked me to ride with her, she thought I was familiar with the Jenks area which I was not, and it turns out she wasn't either, so we had a nice tour of the area looking for the restaurant. Loved Pat, she was a special lady. RIP beautiful lady.
