“ *Paul "Greg" Solomon*

“ *It's been three years since you went home to be with the Lord. It seems like forever, yet, still, just a moment ago...now I see how a year is like a day to God. Our family unit is just not the same. We are just a hollow shell of what we used to be - you were the heart, the silliness, the loud thundering laughter that filled our home. I know your body was tired of hurting. You said many times that if it weren't for leaving your family, you would ask God to go ahead a take you home. I wanted you to stay for us, but I knew you were ready to go for you. I miss you every day and wish I could see you, talk to you and hold you once more. I will hold you forever in my heart and in my memories. I miss you. Love you. Always.*
