“ Paula and I were such good friends back in the day. Actually we were such good friends that I didn't care when she stole my first boy friend..lol Think he lasted one date. Paula and I both had horses and we both ran barrels at the Tulsa Mounted Troops. Nancy Finley

“ So many fun memories come to mind: belly dancing lessons, the Macarena and Congo line she instigated at a party, craft days with the girls, laughter, that little gleam in her eyes, stories of her days in Mexico, her gusto for life. The fact that these will be memories and not happenings now saddens me so deeply. To say I will miss my dear friend is an understatement. Dance on Miss Paula, Poodle.
