“ *We will miss the holidays that we spent with her brother, Monte and sister-in-law, Suzy's (our cousin) house for dinners. Paula was almost always there, and what a joy she was. She was married to a hi school classmate of ours, Bob Freeman. We will miss her warm personality and loving stories. May you and Bob be together again for the rest of eternity...Janie and Jerry Tinsley*

“ From the minute I met Paula she welcomed me into the family and treated me as her sister. She was always so much fun to talk to and I always learned something from our talks. My mother loved Paula too and said Paula was the most interesting person to talk with. She was a wonderful sister-in-law, who I felt was a like blood sister to me. Her love for her family was very deep and undeniable. She will be missed by so many people and loved for eternity.
