“ *I loved spending time around Peggy. Didn't get to see as much of you guys over the years as I would have liked, but when Mom and Dad were still with us, we enjoyed your visits so much. Sorry we cannot be at the funeral, but please know that we are thinking of you and your dear family, my brother. I pray for peace and comfort for you all and to repeat what you expressed, her suffering is over. Now she rejoices and is dancing with the angels.*
