“ *I am so sorry I didn't know about Penny's passing. My sister (Pat Addington Forney) and I were just visiting recently about getting together with her. Pat ran into Roberta Scott and we were told of her passing. Penny was such a gentle little soul and I enjoyed visiting with her. Her Mom and Dad were a big part of my early years. I know without a doubt she is having the time of her life being reunited with Sandy, Uncle Kenneth and Aunt Flossie and her Savior Jesus Christ.*

*Love you Penny, Terry (Addington) Burns*

“ *I loved Penny as if she was my own sister. She was a loving, caring, beautiful lady. We lived so far away but she was always in my heart and my thoughts. My heart goes out to Frank and all of Penny's family. She amazed me that she could share so much laughter with me when we talked on the phone which was frequently. I treasure the fact that she was my friend and I will miss her more than I can say. Rest in peace Penny, I love you and I will always miss you. My deepest sympathy to Frank and family.*

*We all knew her as Mrs. Rudd but the feelings for her were as part of the family. I think I speak for everyone at outpatient infusion here by saying we loved her with all our heart! She was the most loving and thoughtful person. She was by far my favorite patient. We will all truly miss seeing her bright smile come through the clinic. She is in a much better place than us right now, will not struggle with pain or breathing and that's all that I can say to make it easier. Miss u bunches!*

*Penny and I have been friends for about 30 years, and our friendship has deepened during the time of her struggles with cancer. I would call her a couple of times a month, usually on Sunday afternoon, to see how she was doing. She was always so upbeat even when she felt the worst. I will miss this lovely lady and our phone conversations. Rest in peace, dear lady.*
