“ *I was nine years old when we became neighbors with the Robinsons. It was a great time to be a kid in the country and we boys took full advantage of the open fields and woods around us. Rene was a dad to all of us boys helping with fixing bikes or sleds or whatever needed fixing. We kept Rene and my dad busy with all the 'boy' things that we could come up with. Dad bought me a motorcycle and we had a blast with that. Thinking of all you guys today and feeling blessed to be a part of your lives.*

“ We have loved this family for forty four years, that's how long we have been neighbors. Our boys played baseball for the same team and our girls had many sleepovers.
My favorite memory is the trip we took together to California. We went in our small 24 foot motor home which meant we had to really like each other because it was close quarters. We went to Disney, San Diego and saw Balboa Park and San Diego Zoo.
The only unhappy time was when Susan thought Mitzi's hair looked better than hers and there was a few tears. The marvelous part is we shared close quarters had a great time and came home still being friends.
