“ Gena, my mother in law, was a wonderful woman. She was very kind hearted. She loved being around family and friends. Loved telling stories about her children and her family growing up. She always had a smile and a hug every time we met. She will forever be in my heart.

“ I remember when I was little girl and Gena playing the piano for our little children’s songs before we went to our Bible class at First Christian Church. Also, how kind he was and her infectious laugh. Prayers of comfort and peace for her family.

Gena was Keith's first cousin, also. As you lose family you begin to lose touch with other family. We both loved Gena and missed the big family we had that loved one another. Knowing she's gone saddens us! RIP Gena!
