

Randall "Stoney" Beck

May 1, 1963 - December 10, 2025

Randall Wade "Stoney" Beck was born in Tulsa, Oklahoma to parents Jerry and Joy (Lofton) Beck on May 1, 1963. He passed from this life on Wednesday, December 10, 2025 in Tulsa, Oklahoma at the age of 62.

He was nicknamed Stoney from the day he was born. Stoney grew up in Broken Arrow and was a 1981 graduate of Broken Arrow High School. Stoney met the former Miss Stacy Williams on July 4th, 1985 and was immediately smitten. Stoney and Stacy married on Saturday, July 19, 1986. They raised two wonderful kids together. When the grandchildren came along, Stoney became "Pappy". Stoney loved to spend time with his grandkids. He enjoyed taking them for long drives, and swimming with them. Stoney never missed a chance to brag on his kids and grandkids, and would show their pictures off any chance he got.

Stoney made his career helping people as a Firefighter for the Broken Arrow Fire Department. In 2014, Stoney retired as a captain after 30 years of faithful service.

Stoney had a great personality and could keep you spellbound with his many stories. Stoney was a man with many interests, including hunting and OU football, but loved spending time with family more than anything else. He never missed a family sporting or school event that his kids or grandkids were

involved in. He was a phenomenal cook that enjoyed smoking meats and cooking for others, and even put together a book called "Pappy's Book of Deliciousness".

Family to cherish his memories;

Wife, Stacy Beck of Broken Arrow.

Children, Daughter Ashley Stamper and Sky of Muskogee. Austin Beck and Tucker of Broken Arrow.

Grandchildren, Becka, Hayes, Roland, and Bennie.

Mother, Joy Beck of Broken Arrow.

Siblings, Debbie Sieland and Chip, Brian Beck.

“ Stoney was the only person I ever had to order out of a house fire. It was a building in four's district used to store furniture moving blankets and cardboard boxes and we found out later, probably meth. The building was a lost cause but it was on fire and Stoney was going to put it out. When we finally got the crew out, I had to make Stoney stay on the opposite side of the truck so that he couldn't see it burning. After the adrenaline lessened, he realized it was better to let it burn than to risk getting hurt. In a day where "you gonna do something or stand there and watch?" Is common place, Stoney was the rock you could build a real fire crew on. True fireman in every sense of the word. But I think he really hated the ambulance part. We will see him again in Christ the great fireman for us.

It's been many years since I have seen Stoney in person but one thing I always remember about him is that smile bigger than Dallas. We lost a good man, you will be missed Stoney.
