

Randall Gavlik

November 16, 1941 - October 25, 2024

Randall was born November 16, 1941 in Robstown, Texas, to parents Walter Gavlik and Oleta (Gavlik) Bowers. He was raised in Odessa, Texas, where he graduated from Permian High School and was an active member of Belmont Baptist Church. After graduation, Randall served his country in the United States Navy on the naval carrier the “USS Lexington – CV16.” Upon receiving his honorable discharge, Randall enrolled at NTSU in Denton, Texas, and worked full-time at EMC Plastics.

His ingenuity and resourcefulness is what gave Randall the drive to create his own business, Gavco Plastics, Inc., which he started in 1976 in Tulsa, Oklahoma, moving to Broken Arrow, Oklahoma. Randall’s biggest gift was his generosity and thoughtfulness of others, his love for people and their love and respect of him.

Randall was a Freemason, receiving his 32nd degree and 50 year pin. His hobbies included coaching his sons in school football, bowling, boating, diving, traveling to wonderful countries, riding his Harley, shooting, and traveling with his wife (and occasionally children and grandchildren) in their 45-foot coach.

Retirement came at a progression for Randall, as he was able to live the dream. He passed away at home in Broken Arrow at 82 years old. He is preceded in death by his father Walter Gavlik, mother Oleta Bowers, son Robert Adam Gavlik, and brother Gary Gavlik.

Randall was survived by his wife Rochelle (Shelly) Gavlik of 38 years, and

sister Shirley (Robert) Hardaway of Denton, Texas.

“ I only met Randall twice, but he was so nice and pleasant to be around. We set on the patio and smoked, and sometimes he would make me a cocktail. I only have good memories of Randall. I extend my heart felt condolences to all of Randall's family and friends.
