“ *Rest in peace, dear Sister. You will be missed by many who loved you. You were always special to me, not only a loving sister but a mentor and role model. I miss you but I know you are resting and no longer have pains or worries.*

“ It hurts my heart to say but Jesus decided it was time my sweet, loving Nonnie come join him in heaven. She was the most kind hearted lady there was. She didn't know a stranger and would have done anything for anyone. She will always hold a special place in my heart as she was more than just my grandma, she was like a mother when she didn't need to be. I just hope one day I can make others feel as loved as she did. She was one of my very best friends and biggest supporters of whatever I decided to do. Coming back home will never be the same. I love you with all my heart my forever Nonnie. Fly high beautiful angel and I'll see you again in time. 🙏❤️

“ My name is Philip Creider and I am the current Treasurer for the neighborhood owners' association. I wish to extend my prayers and condolences to the Brackett family during this difficult time.

I always enjoyed my visits and conversations with Revella. She clearly loved life and she truly lived a full life.

I will miss her as will the whole neighborhood.

May she rest in peace,

Philip
