

## Robbie Foley

May 24, 1947 - March 31, 2021

Robbie Jo Foley was born on May 24, 1947 in Denton, Texas to Robert and Margaret (Erwin) Buntyn. She went on to walk the streets of gold on March 31, 2021 at the age of 73. She is being cared for by Hayhurst Funeral Home with no services scheduled at this time.

Robbie was a high school graduate of Selwyn Academy in 1965 and went on to take some college classes. Robbie was a free spirit, so after college she traveled off to Paris where she was the quintessential American Bohemian. She carried this zest for life everywhere she went and it was contagious! Robbie absolutely loved to read and continued to learn much throughout her life. Her favorite book was the Bible and she shared the spiritual wisdom she gleaned with her family. Robbie was a wonderful cook – she absolutely loved cooking and baking. She was the most welcoming and hospitable woman so she was known as “everybody’s Mom”.

Robbie married Thomas Patrick Foley on July 8, 1977 in Salt Lake City, Utah. They raised six children and their family continues to grow. She was a wonderful wife, mother and grandmother and will surely be missed!
