*“ Robert loved to go to grandkids Ball games. He loved to give the umpires a hard time. I can't even remember seeing him miss a game. I on the other hand have. He was a jokester. Liked to give anyone a hard time. He could take it as well as dish it out. He always gave me a hard time about either giving his wife to much work or not enough. We will miss you at the games Robert. I am glad you are not suffering any longer.*
