

Robert "Bobby" Ferrel

September 15, 1952 - April 7, 2024

Robert Jan Ferrel was born on September 17, 1952 in Claremore, Oklahoma. He was the son of George and Margaret (Daugherty) Ferrel. He passed from this life on April 7, 2024 in Tulsa, Oklahoma at the age of 71 years.

Bobby was a used car salesman for over 40 years. He eventually left the used car business deciding to drive a tow truck. He was a people person, so he loved to surround himself with friends, family, and good conversation.

When Bobby wasn't selling or towing cars, you could find him watching the Oklahoma Sooners or getting into western TV shows. However, if it was the holiday season, his focus turned towards decorating for Christmas. So much so that he kept his decorations up year round.

His life will be missed, but his memory will be passed on through those that loved him.

He is survived by his children:

Robert Ferrel and wife Robin of Broken Arrow

Michael Ferrel and fiancé Stephanie Vaughan of Claremore

Lacy Ferrel and Cade Barber of Clearwater, Florida

Grandchild: Colton Ferrel

Father: George Ferrel

Siblings: Terry Ferrel and Debbie and Diane Cooper and Jerry

He was preceded in death by his mother, Margaret Ferrel

“ Everyone in Broken Arrow called me sissy but Bobby called me sister. I'd call to tell him happy birthday and he'd say "thank you sister.". He always told me he loved me when we'd hang up. The last text was me telling him happy birthday. He said "I'm glad we texted so I could tell you how much I love you.". I didn't see him a lot. I wasn't part of his everyday life but when we did talk, it seemed like we picked up where we left off. We knew we loved each other. He was always so sweet to me. I know he loved Jesus and he's celebrating with his family. I will see you again. You were a good brother. Love you.

“ Bobby was "a brother to me". We could talk about our lives, our loves and confide in each other. He was always so loving and you never saw him without a smile. I will miss you brother. Till we meet again. Love you.

“ My brother in law Bobby is going to be missed so much by our whole family. He had his special chair at holiday gatherings and he will be dearly missed there. He loved speaking with all the family members and was interested in everyone's lives. He really enjoyed the grandkids, and our goldendoodle Daisy loved him too. I'll never forget Bobby rescuing me when I was stranded with vehicle problems and Terry was working out of town. He was so appreciative of home cooking and I enjoyed giving him a to go plate. He appreciated the little things so much, and never took the smallest blessing for granted, such an example to take into my heart. I will miss Bobby so much. Bobby you are loved and I know you're in total joy with our Savior. Debi
