“ *My thoughts and prayers go out to the entire Woodring family. I wish you peace of mind in knowing that a loving father and loyal husband is now at rest in the arms of our heavenly father.*

While it's been many many years since I came to visit in Oologah, I've thought of his strength of character and uniqueness on many occasions. I fondly remember how happy he was the day I gave him my pushmower. It was always great to see him smile.

“ *I can remember when we were growing up, we would go to Aunt Happy's to visit, and would wait for the other relatives to arrive. I can still see Robert Gene coming in thru her back door with the biggest smile on his face; that's how I remember him...being so happy.*

The last time I saw him was in 2012 when he and Patsy came to visit my mother; she was so happy to see him! He entertained us with some wonderful stories.

Please know that my thoughts and prayers are with you during this time.
