

Rodney Miller

April 30, 1966 - September 12, 2022

Rodney Martin Miller was born in Tulsa, Oklahoma on Saturday, April 30, 1966, to Wade Walter and Marilyn Jane (Ebertowski) Miller. He passed from this life in Tulsa, Oklahoma on Monday, September 12, 2022, at the age of 56.

Rodney was the youngest of five children born to Wade and Marilyn Miller. Their father worked for Sun Oil Company and their mother worked at Franciscan Villa. Rodney lived most of his life right here in Broken Arrow, attending school and graduating from Broken Arrow High School in the class of 1984.

After high school graduation, he went to A & P School at Tulsa Tech for two years and soon after, went to work as an aircraft mechanic at American Airlines, where he worked for 35 years.

Rodney was an avid hunter and fisherman, who loved being in nature. He loved his family, friends, Bluegrass, and Christmas music, playing the banjo, and watching sports. He was always up for a laugh, joke, or asking a million questions.

He was extremely close with the guys that he worked with at American Airlines. His family describe him as funny, witty, and caring. He will be missed by all who knew and loved him.

He was a member of Broken Arrow Civitans, SSM Associate, Cacti and Succulent Society, and a lifelong member of St. Anne's Catholic Church in Broken Arrow.

Rodney was such a special person. His kindness was amazing. He was funny, full of stories! He loved his family so much. We met in Winfield at the festival and shared our love of music and always threw a line in the Walnut to see who could catch the biggest fish. We went through cancer together and came out with a greater appreciation for love and life and tried to live our lives to the fullest. I will miss your annual Christmas card and your great smile my friend. Love ya, Leslie

“ *Rodney was a dear friend and neighbor to me and my sister and mother. He always said hello and visited when I was outside with my little dog. He loved going to the craft fairs and picking up goodies to eat and we would bring him cookies or candy when baking. We will miss him and our prayers to his family.*

“ *Rodney and I were neighbors for many years and while I didn't know him extremely well, I considered him a friend. He was a very nice man, generous and always friendly. During one of our huge snowfalls, he walked around the neighborhood checking to make sure everyone was well. He's the only neighbor that ever checked on me, and I greatly appreciated it. I would occasionally take him homemade baked goods, which he seemed to enjoy. I will miss seeing him across the fence, saying hi when I passed his house during a walk and he would be on his porch. The news of his death saddened be a great deal, and I send sincere condolences to his friends and loved ones.*
