“ *Roger, you shook up my world from the moment I met you through the two years of our relationship. You made an impression on me, and of course, a lasting impression IN me! May the love I once had for you, and the forgiveness I have exalted to you be a source of comfort to your spirit forevermore. May God's amazing grace and mercy follow you and flow through you on your journey, leading you to calm waters, that you may shake no more. 💙 Keola Lee*

“ *I was very sad of his passing, but I do always remember when we all hanged out at John Lloyd state park beach at Dania Beach. We all burned to a crisp. Great memories. RIP my friend*

“ *R.I.P. Roger. I'll never forget all the wonderful memories we had when you lived here in Florida. You were my friend and my son Skyler's "Uncle Roger" and we are so sad to hear of your passing.*

“ *Life had different plans for all of us, I guess...*

Looking back... I'll never forget the summer of 2009. I had just graduated high school. And... I had so much fun, in Florida, with you and Bill. It was an experience I'll never forget. Truly. Also... I'll have you know, despite the paths we may have taken over the course of the last several years... every year on my (our) birthday, you crossed my mind. I guess from now on, when January 3rd rolls around, I'll be sure to celebrate twice as much.

*Thanks for the memories...
The one I listed here but.... all the others as well.*

“ *I remember when you came out to Broken Arrow to visit. We went to Mr. Mambos and had a blast. We talked about all the people you met in such a short amount of time and how much you worried about your Mom. Roger, you were care free and had the gift of a silver tongue, talking anyone into anything. You spread so much love and smiles where ever you went. You will be missed. Until we meet again...*
