“ *The best grandpa a girl could ask for. The best fishing trips were always with you grandpa. You always got frustrated with me because i always got my line hooked to yours sometimes but hey everything was ok. The numerous times you let me and bubba help you mow the yard at the lake house. Everything was always ok with you Grandpa and the best memories were made. I love you forever, till we meet again. ☐*

“ Gosh, Ronnie was the kind of guy who no one forgets and everyone loves! We all have a bit of orneriness in us, but Ronnie had it on his face and in his Crimson blood! What a hoot...that went along with his great personality! I'll just bet that a smidgen was passed on to his children...and theirs, etc.! They are blessed! Ronnie will be deeply missed by all of us...

“ We both went to Nathan Hale, but only became good friends through Facebook. He was my best buddy on our #Backporchcoffeeclub. We all loved his sense of humor. It was easy to see he loved Polly and his family. You will be missed but I know you are in a better place and no longer in pain. We'll all have a great Hale reunion in Heaven someday.

“ I didn't get to spend as much time with my family growing up as I would have liked, but Ronnie always gave me a hug and a laugh whether it had been 2 years or 10 years, taught me to clean a fish, taught me about hunting, made me laugh every time, I hope he knew I loved him. Rest in peace.
