“ Ross, you are one of the funniest people I know you keep everybody laughing you were always in such great spirits, even when you were hurting so much always had a smile on your face. You have been such an inspiration to all of us. You have been such a great friend to so many of us. We love and appreciate you so much. There is a hole in our hearts with you gone our lives will never be the same without you. You are one of the truest, truest friend, so many of us have had. So sad everyone did not have a chance to know the funny, silly, amazing man your closest friends knew, but we love and appreciate you for who you were who you are. Well. Heaven has welcomed you with open arms with the love and respect you deserve. We miss you, my friend. We will not be the same without you for a very, very, very long time. Enjoy Heaven my friend you deserve it. One of your best friends, Janet Wynn
