

Royce Grubb

August 26, 1935 - February 22, 2025

Royce Lee Grubb was born on August 26, 1935 in Tulsa, Oklahoma, the son to Charles S. Grubb and Pearl (Glenn) Grubb. He passed from this life on February 22, 2025 at the age of 89 years.

After graduating high school, he attended college where he studied Aerospace Engineering. He met his sweetheart, Carol Walls and they married in Tulsa, Oklahoma in September of 1964. Together, they raised five children, Leland, Patti, Cindi, Doug, and Mark. He worked in the Aviation field for many years, while providing for his family.

When Royce wasn't working, he had many outdoor hobbies and activities he liked to participate in. He was an avid hunter and fisherman, played semi pro football, and played softball. Royce had a beautiful voice and led the singing at church while his wife, Carol, accompanied him on the piano. He loved to travel the world while using his engineering skills to build flight simulators.

Royce's family always came first. He loved spending time with them and making them laugh with his jokes. He would always put others before himself and it showed in his daily actions. He loved teaching and guiding his family by his example of what it meant to be a good Christian husband, dad, brother and friend. Royce was definitely one of a kind, but most of all, he was the best father ever.

He will be missed by those fortunate to have known him.

“ Royce was always uplifting to talk to he was a man loved the Lord and loved his family and friends. My dad and him both loved to sing for the Lord and they both had a great sense of humor! One thing i'll always remember when my dad passed in 2015 Royce was the first there at visitation and he expressed how much my dad meant to him . I'm thankful to be able express to his wife Carol, and his children and grandchildren how thankful i am to have known Royce and that God brought him into my journey of life! May each of you know and feel the comfort from peace that passes all understanding!!

“ Leland, I am so sorry to hear of the passing of Royce. I could never be more grateful for how your dad watched over my mom after my dad passed. She depended on him all the time and he was always there. I'm pretty sure there is some serious catching up going on right now with your dad and my mom and dad. They've got some reminiscing and catching up on the latest gossip.

Praying for your family in this difficult time.

I love my Daddy so much it is hard to imagine life without him. He has been a selfless Dad and has thought me so much about the love of animals, how to work on my house, gardening and so much more. Our family will never be the same without his humor and guidance. He is at peace and resting in Heaven with so many of our loved ones and friends. My heart is broken but I thank God for my precious Dad!!!
