“ Sally took care of my mother (Fonda Dean) for many years and was such a gift to our family. I will always remember her as such a gracious lady who showed so much compassion even in the last years of my mothers life when she was no longer able to feed herself....Sally fed her and monitored her with such kindness. Toward the end of my mothers life, Sally was there.....even when my mother did not know who I was when I came to check on her. She was an angel! Dr. Bruce Stewart

“ I met Sally while visiting my Aunt Jodie and Uncle Omer several years ago in Oklahoma. She was a kind, loving and caring individual and we always thought of her as family. Prayers for the family as you go through the days ahead.

“ I'm going to miss running over to Aunt Sally's to hurry and wait. She was always so hospitable and always wanted you to eat something or try something new she found at Aldi's.

Aunt Sally was so pretty but that was unsurpassed by her inner beauty. She was the kindest, sweetest person. Even as she was going through all these physical issues she was always so happy to see you and visit as if she didn't have a problem in the world.

I miss you already and hope you know how much I loved you.
