“ *Loving and merciful God,
In this time of sorrow, we lift up the family of
Sean—those who carry the weight of loss and
the ache of absence. May Your presence be
their refuge, filling the empty spaces with Your
love and peace.*

*Grant them strength when the days feel too heavy and comfort
when grief feels overwhelming. Let the memories of joy and love
shared bring warmth to their hearts rather than pain.*

*Though time and distance may have separated us, the bond of
friendship remains, and we give thanks for the life of Sean—for the
laughter, kindness, and presence that was a gift to all who knew
them.*

*Guide their family through this journey of mourning and healing.
May hope rise with each sunrise, and may love surround them in
ways they never imagined.
Amen.*

“ *I worked with Sean at Lincare and very quickly loved him and his
personality! Sean was ALL about his babies, and I’m praying daily
for them going forward. I’m going to miss his sense of humor and
just talking with him. He was an incredible would and will be
insanely missed. We love you, Sean. ❤️ Jake & Kristin*

“ I worked with Sean at Dish and just wanted to say he was a great guy. Easy to talk to and very friendly. He always talked about how much he loved his children. My heart goes out to them and may he rest in peace.

“ My name is Liz. I worked with Sean at Dish. I hadn't known him for very long, but if you know Sean, you know he made friends easily. He loved to talk about his two kiddos and how much fun they would have together. You could tell he truly loved being their dad. Having lost my own dad at age 3, I know this pain too well. My prayers are with his children, his parents, his family, friends, and everyone who loved him. He will be so missed! Rest peacefully, Sean. 🕊️💔
