“ I feel so lucky and honored to have known Shirley . I will never forget my times with her and Phil when I visited them in Oklahoma. I loved sitting with her late into the nights, listening to her words of wisdom, life story , her pride in her children and grandchildren and her love for Israel and its people. I will never forget you dearest Shirley and wish I could be there to say goodbye but I will be there in spirit and the flame of the candle I will lit, will always stay alight in my heart. Loving you foreverMiki

“ *What a gracious and fun cousin Shirley always was. I cherished her like an Aunt and she has left a profound mark on my life. I remember when I was a young teen, I thought my parents really didn't understand me. Shirley took me for a walk and we hashed that out. She was very down to earth, non-judgmental, and somehow helped me see that my parents were showing love by their guiding me on the right path. She also taught me to talk to God like He was my friend, and I have been doing that for 44 years now, thanks to Shirley. I am sorry for you, children, grandchildren, and great grandchildren, that you could not have her longer. Prayers and thoughts are for you.*

“ *Shirley was a wonderful lady & friend. I was blessed to attend the same Church with her & Phil. She was a knowledgeable & gifted teacher in the Word. She & Phil were the best in making any & all feel welcomed and comfortable in their home. She had the prettiest smile and loved to share it! I will miss her but know she is dancing in heaven!!!*

“ *What a beautiful lady. As a member of the Lolipop gang, we shared many e-mail messages and had several get togethers over the years. Loved meeting at Locust Grove for lunch. Thoughts of Shirley and Phil always brings a smile to my face. We will meet again on the Holy Streets of Glory.*
